Obsessive Consumption What Did You

"Obsessive Consumption: What Did you Buy Today? (Princeton Architectural Press, 2010), by Kate Bingaman-Burt, represents a selection of three years worth of the authors annotated drawings of her purchases including wedding bands, beer, a dog, and, of course, drawing supplies." --Significant Objects, March 12, 2010

Amazon.com: Obsessive Consumption: What Did You Buy Today ...

Obsessive Consumption started out as a blog and turned into a book. It collects the sketches of items purchased by Kate Bingaman Burt over 4 years since she's been drawing them. It's like a diary of purchases. These are simple line drawings that are sometimes quite scary to look at, especially drawings of credit card bills.

My Book: Obsessive Consumption: What Did You Buy Today ...

I've been a longtime fan of Kate Bingaman-Burt's Obsessive Consumption project — a wonderfully illustrated visual record of personal consumption running since February 5, 2006. So I was delighted when last year Princeton Architectural Press (of The Map as Art fame) added the project to this running list of blog-turned-book success stories and published Obsessive Consumption: What Did You ...

One of the most distressing is that having such thoughts means that you unconsciously want to do the things that come into your mind. This is simply not true; in fact, the opposite is the truth.

Unwanted Intrusive Thoughts | Psychology Today

Obesity, also called corpulence or fatness, excessive accumulation of body fat, usually caused by the consumption of more calories than the body can use. The excess calories are then stored as fat, or adipose tissue. Overweight, if moderate, is not necessarily obesity, particularly in muscular or large-boned individuals.
