Gun Review: Walther PPK/S .22 - The Truth About Guns

Walther PDP Aftermarket Support (NOTE: More Accessories on the way. This article will be updated as new products become available.) What type of aftermarket support is available for a new handgun is a big consideration when choosing whether or not to purchase. Historically aftermarket support for Walther pistols has been slow at best.

Walther PDP Aftermarket Support - www.waltherarms.com

Walther has been manufacturing a great example of this full-size .22 1911 under license from Colt, and we were sent the .22 1911A1 for review. As with the Walther PPK/S .22LR, this .22 is made in Germany by Walther, and as you will see from the review, this pistol feels and performs as you would expect a German-made handgun to perform.

The Walther PPK wasn’t selling as well and the company was falling behind on the latest and greatest firearm technologies. However, after firing a PPQ it’s easy to remember the PPK was so popular in its time: Walther makes great guns.

Top Ten .40 Pistols to Own - SkyAboveUs

All of Hi-Point’s handguns use a blowback design similar to that used in the German Walther PPK and Russian Makarov PM. In blowback weapons the return spring and mass of the slide absorbs the rearward force generated by the propulsion of the bullet. As the slide moves back, an extractor hooks the empty casing by the rim and pulls it out of the ...

Hi-Point Model JHP - Wikipedia

Here’s the classic that refuses to die. The Walther PPK has been James Bond’s Go-To Gun for decades now. It is most definitely small enough to conceal easily. It shoots very well and doesn’t kick bad either. Equally as important, its accuracy is touted by many. Another great quality of the PPK/S is its amazing balance due to its metal frame.

The 50 Best Concealed Carry Guns in 2021 (with pictures)

This recall applies to all Walther PPK and PPK/S pistols manufactured by Smith & Wesson from March 21, 2002, until February 3, 2009. That's seven years of production! Think that maybe it took S&W's quality control a smigeon too long to find, or at least admit, that there was a problem?

Sniper Elite 4 for Nintendo Switch - Nintendo Game Details

So the Glock 42 has a lot going for it, but it’s still susceptible to the same problems that are common to all of the pocket-sized pistol designs. Sig P238. Sig Sauer rolled out the P238 in 2009 as a clone of the Colt Mustang which had been retired back in the 90s. It’s a 1911-style design with a single action only trigger and a manual safety.

What's the Best 380 Pocket Pistol? - LuckyGunner.com

Walther P99 and PPQ. Walther pistols such as the P99 and PPQ are known for being among the most ergonomic pistols on the market today. The P99 itself is a very unique offering. Despite being a striker fired gun, it is a double action/single action pistol with a decocking lever.
