Still Life with Profile of Laval - Indianapolis Museum of Art

Paul Gauguin styled himself and his art as "savage." Although he began his artistic career with the Impressionists in Paris, during the late 1880s he fled farther and farther from urban civilization in search of an edenic paradise where he could create pure, "primitive" art. Yet his self-imposed exile to the South Seas was not so much an escape from Paris as a bid to become the new ...
