Pub names are used to identify and differentiate traditional drinking establishments. Many pubs (public houses) are centuries old, and were named at a time when most of their customers were illiterate, but could recognise pub signs. The use of signage was not confined to drinking establishments. British pubs may be named after and depict anything from everyday (particularly agricultural ...

Amsterdam has a long and eventful history. The origins of the city lie in the 12th century, when fishermen living along the banks of the River Amstel built a bridge across the waterway near the IJ, which at the time was a large saltwater inlet. Wooden locks under the bridge served as a dam protecting the village from the rising IJ waters, which often flooded the early settlement.
