Producing and Directing the Short Film Focusing the video camera is not as easy as it sounds when the subject is moving. And blocking sunlight from above from an actor's face, to match an earlier shot when the sun was dappled is not a walk in the park either.

Producing and Directing the Short Film

As with features, in any short film, the script is KING and QUEEN. It will be the most important thing in attracting both talent and crew. A good short film should run anywhere between 3 - 12 pages. For first time filmmakers, whether they be writer/directors or a writer and director team, the shorter the better. 3 - 5 pages tops.
