### Development

Development of the Arabic Language is a general introduction for students to the history of the Arabic language. It is divided into two parts; the pre-Islamic language up to the emergence of the first well-known works of Classical Arabic.

Secondly, the transition from the pre-Islamic situation to the complex Arabic language forms after the emergence of Islam

## Profit Or

### Development

Development profit  
The amount by which, on completion or partial completion of a development, the estimated income of a development exceeds the total outlay. This can be expressed in various forms.

Development risk  
The risk associated with the implementation and completion of a development, including post-construction letting and sales.
