Playing Cards : Formatting & Templates - Print & Play

A note about analyzing vs. reviewing a game: an analysis mainly consists of what is actually present in the game, not what you think should be. Pick it apart and see what choices the designer made and think about why. I figured it'd be helpful to have a template for guidance when critiquing a game.

A Template for Game Design Analysis - Lara Schenck

For a long time I highly recommended the document template made available at <https://vitalzigns.itch.io> (and by all means, check theirs out, you may find that you prefer it) but have since tweaked a variety of documents to suit my needs, match my preferred style, and leverage Word's automated formatting features (including the automatic Table of Contents) to the best of my ability.

Game Design Document Template by Todd Mitchell

Hopefully, you can clear a path towards creating a game design document by creating or following a game design document template. Remember to be specific with certain aspects of the game design document, as the more precise, the easier the team can communicate ideas with one another and turn out a great product that you can be proud of.

How to Create a Game Design Document | In-Depth Guide

This board game template is another fun game which does not require a dice. Each student needs an eraser (or something they can easily flick) and a colored pencil / crayon. One student should place his / her eraser at the bottom of the page. Then, he/she should flick the eraser up the board using their finger.
