Scam So Called Alternative Medicine

It's definitely not a scam – but it's not a good choice either: very expensive for its actual value; unclear instructions; you probably need 6 pills per day (for best results) lots of negative reviews and complaints; Instead of paying a huge price on this product, I recommend an alternative that costs (at least) \$30 less. What I Liked ...

My Omega XL Review (2022) - Is It Really A Scam ...

These are surely not my favorite products (in terms of consistency):. shampoo doesn't foam very well; conditioner is quite thick; also, it doesn't hydrate the hair properly (in my case) Another thing worth mentioning is that you should shake the shampoo before using it.. From what I've seen – it has 2 phases (liquid + thick).

So you mean I have one year to have my money back a 30-day supply of Striction D! Not something to complain but I just find it uncommon lol. Anyways it is a good review and the product is very interesting so I will definitely consider it to the choices I will present to my physician. Thanks a lot xo Feliz
