Embracing challenges with an open heart- enables us to grow and progress, instead of holding ourselves stuck. When you make the shift to focus on the solution, instead of the problem- it will help you hold an open mind to how the solution can come. You shift the momentum to allow the Universe to do its thing.

HOW TO EMBRACE YOUR CHALLENGES - TESIA HINKEN
By sourcing solution from the communities facing the challenges directly, we will have a better understanding of the problem and a solution we can experiment with for scaling up. This bottom-up approach gives the community an active role in their development agenda as opposed to the top-down structure of infusing innovations designed by external developers.
