### Sr 71 Blackbird Stories Tales

Where Graham's first book, SR-71 Revealed: The Inside Story, dealt more with the Blackbird's remarkable hardware and history, this volume details the human dimensions of the SR-71 program, from its dangerous days of development and testing through decades of intelligence-gathering operations in the world's hot spots, to its final, bittersweet confrontation with the one foe it couldn't elude: self-serving Pentagon politics. Inspired by flying a plane that often seemed to have a mind of its ...

### SR-71 Blackbird : Stories, Tales, and Legends by Richard H ...

Editor's Review: As the name implies SR-71 Blackbird "Stories, Tales and Legends" includes many events that previously were discussed only in "Habu" circles or at Reunions. It is a collection of individual stories from pilots, RSO's and others associated with the "Program". I found their recollections fascinating reading as you progress from the first Blackbird bailout (Col. Ken Collins, CIA) to the final demise of the Blackbirds in the halls of the Pentagon (Col. Gene Quist).
