**Starclimber (Airborn Trilogy Series #3) by Kenneth Oppel ...**  
Starclimber is the 3rd book in the Matt Cruse series by Kenneth Oppel. Summary Matt Cruse is piloting an aerocrane for the France's Celestial Tower where he narrowly survives a terrorist attack by the Babelites, a group of people who are opposed to humans reaching the heavens. After the incident, he meets with Kate de Vries, and is saddened to hear that Kate will soon return to Lionsgate City ...

**Starclimber | Airborn Wiki | Fandom**  
Starclimber is the third book in this series. Matt and Kate are back. This time they journey into space. Kate has joined the suffragettes and of course gets both herself and Matt into trouble. It is good to have a reminder that women's rights were fought for and are more recent than some young people realize.

Starclimber is a book to climb into & stay a while This production is awesome, like being in the story yourself. I got hooked into finishing each chapter whenever i had time. Loved all the characters having their own voice. I had previously read Airborn and Skybreaker in my youth and was pleasantly surprised to come across this title on audible.
