Synopsis Radar With Nautoscan Nx

The Synopsis Radar NX features an advanced tracker, which is derived from a high performance, commercial small target tracking application. Together with the lossless digital video distribution of the NautoScan NX radar transceivers this results in an optimized performance in tracking and anti-clutter processing.

SYNOPSIS RADAR NX - Raytheon Anschütz

Developed and manufactured with all the experience in navigation and radar technology, the new generation of NautoScan NX network radar transceivers adds significant benefits for shipyards, integrators, shipowners and operators. The NautoScan NX network
