Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

Teens And Conflict Resolution

Conflict resolution is the process by which two or more parties reach a peaceful resolution to a dispute. In the workplace, there can be a variety of types of conflict: Conflict may occur between co-workers, or between supervisors and subordinates, or between service providers and their clients or customers.

Conflict Resolution: Definition, Process, Skills, Examples
During the teenage years, you might clash with your child more often than you did in the past. For example, you might disagree about things like what your child wears, what he does with his time, or whether he follows your cultural traditions. Some conflict is normal and healthy, as your child becomes an independent and responsible young adult.

Conflict management with teenagers | Raising Children Network
Parent - teen is one of the more difficult types of mediation. Some times friends or clergy offer their services as mediators. Unless they are trained and experienced in parent - teen mediation, the conflict almost always gets worse. For families with serious parent-teen conflict, please contact your local family court services, or equivalent.
