The Ascent Of Humanity Charles

The Ascent of Humanity is about the history and future of civilization from a unique perspective: the evolution of the human sense of self. This book describes how all the expressions of our civilization—its miraculous technology as well as the pillage of earth, culture, goodness, and beauty—arise from our identity, our way of being, “the discrete and separate self”.

The Ascent of Humanity falls into a selective category of books which has redefined my life simply by the process of reading it. Similar to the breath of fresh air I received when reading Krishnamurti or Arthur Koestler for the first time, Charles Eisenstein is the modern practical philosopher.

The Ascent of Humanity by Charles Eisenstein

In researching The Ascent of Humanity I visited the darkest despair, as I realized the true magnitude of the crises on hand. What the doomsayers say is true: our situation is beyond hope. Perhaps if we had reversed course in the 1960's, if we had zealously applied all the ecological and social understandings that arose at that time, there would still have been hope.

The Ascent of Humanity: Civilization and the Human Sense ...

The Ascent of Humanity illuminates this dense shadow via an incredibly rich retelling of human history through the lens of Separation VS Connectedness. Eisenstein shows how humanity's relatively new 'Story of Separation'—the ideology that says we're all separate, discrete beings—caused us to design a civilization that alienates us from ourselves, each other, and the planet.

Why You Must Read 'The Ascent of Humanity' by Charles ...

The Ascent of Humanity Charles Eisenstein. The Ascent of Humanity is a radical exploration of the history and future of civilization from a unique perspective: the human sense of self. Eisenstein traces all of the converging crises of our age to a common source, which he calls Separation.

The Ascent of Humanity | Charles Eisenstein | download

Charles Eisenstein states that the crises (economic, ecological, political, educational) that we face today arise from stories that he calls the “separate self,” and the “story of people.” He describes these stories and then states that they are coming to an end, that the “new story” is one of connectedness. Charles encourages people to act [...]
