Clear and simple as the truth Writing is an intellectual activity, not a bundle of verbal skills. For classic style, successful presentation consists of aligning language with truth, and the test of this alignment is clarity and simplicity. Good style is defined not by a set of techniques, but by an attitude toward writing.

### Summary of Clear and Simple as the Truth, by Francis-Noël ...

What to expect: In classic style, the convention is not to argue, not to anticipate every conceivable objection, but rather to convey ones authority, and ones confidence in the reader's intelligence, by making statements as clear and simple as the truth. That's the essential message.
