OK, that is a slaughterhouse on the cover of The Cow, and those are dead cattle. Framed by the clinical language of a livestock manual, Ariana Reines's first book runs language, culture and sex through a meat grinder, and the results are not pretty. Perhaps those who like poetry or sausage should not watch it being made.

The Cow | Coldfront

The historical paw-print of text and the materiality of poetry are amongst the concerns of poet Ariana Reines, whose first book of poetry The Cow reads like an alternate manifesto and eulogy for flesh, as well as a middle finger to the mind/matter shitstorm. As Reines puts it in the poem SECONDS:

INANNA — Ariana Reines

I first became aware of Ariana Reines's work through her early poetry collection *The Cow* (2006), which went on to win the prestigious Alberta Prize. I was struck by its focus on abjection, female filth and the damage we inflict on animal bodies. Reading that collection marked the start of a full on, visceral engagement with Reines's work.
