Giovanni Boccaccio - Giovanni Boccaccio - The Decameron.: It was probably in the years 1348-53 that Boccaccio composed the Decameron in the form in which it is read today. In the broad sweep of its range and its alternately tragic and comic views of life, it is rightly regarded as his masterpiece. Stylistically, it is the most perfect example of Italian classical prose, and its influence on ...

The Norman Conquest of 1066 CE established French as the language of literature and transformed the English language from Old English (in use c. 500-1100 CE) to Middle English (c. 1100-1500 CE). The stories written during both these eras were originally medieval folklore, tales transmitted orally, and since most of the population was illiterate, books continued to be read out loud to an audience.
