“The fact is that harmful stereotypes do exist about what it means to be masculine, focusing on power dynamics, domination of other men, subjugation of women, violence and aggression.

The Future Of Masculinity: Overcoming Stereotypes

If masculinity has been distorted into a depraved form of dominance in the past, it is now being distorted into a depraved form of irrelevance. Many are tempted to conclude from this that the age of men has passed; he must empower women and rouse his strength only at her beck and call. The future, many sons and daughters of Jane suppose, is ...
