**The Journal 1837 1861 Henry**  
Henry David Thoreau's journal was his life's work: the daily practice of writing that accompanied his daily walks, the workshop where he developed his books and essays, and a project in its own right—one of the most intensive explorations ever made of the everyday environment, the revolving seasons, and the changing self. It is a treasure trove of some of the finest prose in English and, for those acquainted with it, its prismatic pages exercise a hypnotic fascination.
