Much like it sounds, Building a Second
Brain is about creating a reliable system
- outside your physical skin-and-bone
bodily boundaries - for storing,
organising, digesting, and eventually
transforming information into Good
Creative Output. Much like any well-
integrated tool, the mental distance
between you and the system grows
small.

The 30 Second Elevator Speech . An elevator speech is a clear, brief message or "commercial" about you. It communicates who you are, what you're looking for and how you can benefit a company or organization. It's typically about 30 seconds, the time it takes people to ride from the top to the bottom of a building in an elevator. (The
