New Law Makes Escape Tougher For Tax Exiles - WSJ

A tax exile is a person who leaves a country to avoid the payment of income tax or other taxes. It is a person who already owes money to the tax authorities or wishes to avoid being liable in the future to taxation at what they consider high tax rates, instead choosing to reside in a foreign country or jurisdiction which has no taxes or lower tax rates. In general, there is no extradition agreement between countries which covers extradition for outstanding tax liabilities. Going into tax exile i

Eritrea does not allow renunciation of citizenship, so anyone who ever was a citizen carries this tax burden his whole life. The enforcement mechanism for the citizenship-abroad tax is simple: if you are an Eritrean citizen abroad and don't pay the special tax, then your relatives in Eritrea will be severely harassed, beaten and imprisoned.

Last Updated August 1, 2020. Dateline: Singapore. Having a second citizenship is an important part of international diversification, but having a backup passport alone does not end your tax obligations if that is your goal.. US citizens can have as many passports as they want (I know one guy who has eight), but they will be liable to the IRS so long as they carry a US passport.
