Book Description: An exciting analysis of the myriad literary effects of Tiananmen, Belinda Kong's Tiananmen Fictions Outside the Square is the first full-length study of fictions related to the 1989 movement and massacre. More than any other episode in recent world history, Tiananmen has brought a distinctly politicized Chinese literary diaspora into stark relief. Kong redefines Tiananmen's meaning from an event that ended in local political failure to one that succeeded in producing a vital ...
