As women, we tend to have long(ish) hair. Sometimes, hair falls out and finds its way up our butts—by way of crawling up there all on its lonesome or swallowing it, I'll never know. Such occasions are always exciting and if you’re incredulous then you have obviously never pulled a 6-inch-long hair out of your butthole.

Some of these flavors are present in almost all beer to some degree and considered an “on” flavor except when its level gets too high for a given style (fruity esters). Other off-flavors are less frequently found, but still are appropriate in small quantities in specific styles (a buttery flavor in some lagers).

The case isn't water resistant — we recommend wiping it down with a dampened cloth. As you floss, the pick may accumulate gunk and grime. To clear the buildup, remove any string and then rinse with some water. See how here

### Refillable Floss Pick - Quip

Aristotle famously contends that every physical object is a compound of matter and form. This doctrine has been dubbed “hylomorphism”, a portmanteau of the Greek words for matter (hylê) and form (eidos or morphê).Highly influential in the development of Medieval philosophy, Aristotle's hylomorphism has also enjoyed something of a renaissance in contemporary metaphysics.
