7 Tools for Generating Infinite Content Ideas for Your Blog. Published on February 15, 2017. Blogging sucks. Okay that's a bit extreme. In fact, there's a lot that I enjoy about blogging—mainly connecting with you guys. But what does suck is having to constantly come up with new ideas for blog posts.

7 Tools for Generating Infinite Content Ideas for Your Blog

For content marketing purposes, you need personas to help you deliver content that will be most relevant and useful to your audience. Without personas, you may only be guessing what content your audience wants, which means you are more likely to revert to creating content around what you know best (your products and company) instead of around the information your audience is actively seeking.
