To fully support the sound engineers who support the artists and performers, Yamaha makes absolutely no compromises when it comes to quality. Sound, operability, and reliability must all be first class, and implemented in a way that allows engineers to concentrate fully on helping artists and performers deliver their message. The RIVAGE PM series embodies this ideal at the highest level ...

Yamaha customer service is abysmal. I empathize with anyone who goes through what we did trying to get our piano repaired/replaced. ... The instructions manual was basically useless but you can figure it all out in 5-10 minutes easily enough. If you just want to play piano and don't want any gimmicky features, this is a solid buy.
